

Clever Crow French Bulldog's Health Guarantee

Katelinne Harner 814-515-5434

If, within three years of the date of purchase, your French Bulldog becomes permanently disabled/deceased due to a congenital/hereditary defect, we will replace the dog/puppy with a puppy of comparable value OR provide a full refund for the cost of said puppy. The defective pup/dog will be replaced OR money refunded within two years of the date of diagnosis, or date of death certificate from the attending vet.

A copy of all veterinary paperwork must be forwarded to the breeder. Pup must be made available to be examined by a vet of breeder's choice (within 50 mile radius of owner) for verification of defective condition, at breeder's expense and option. If pup dies, a necropsy must be completed at owner's expense. There will be no cash refunds or repayment of incurred vet expenses to buyer. Any dog returned to breeder must be in good general health (other than reason for return), and be up to date on all vaccinations prior to return.

There are no guarantees on temperament, as we believe temperament is too highly affected by the family who raises the dog, and therefore is too far out of our control. This contract is invalid if proper veterinary care has not been provided over the life of this contract. Should the buyer choose to return the defective pup/dog, he/she must be returned with all the paperwork (copy of contract, original akc papers). No replacement will be given if the dog has been bred. Show/breeding dogs must be returned intact and the breeder will decide what action will be taken regarding the reproductive capabilities of that particular dog. Buyer is responsible for transportation costs to and from breeder's residence and/or veterinary office.

The health guarantee applies to the original dog listed below and is nontransferable. If any disputes arise from this contract, breeder has the right to seek reimbursement for any legal expenses. All disputes will be resolved via binding arbitration in Union County, PA.
